Are you currently taking any medications? If so, please list: \_\_\_\_\_

Are you currently having Physical Therapy at another facility? \_\_\_\_\_

We know you have a choice when it comes to choosing a medical provider for your therapy needs, we feel honored that you have chosen our facility to help you in your recovery. We are committed to providing you with the best possible care. In order to achieve this goal, we need your assistance and your understanding of our payment policies.

As a courtesy, we call your insurance company to obtain information regarding your benefits, co-payments and deductibles. However, **you the patient are ultimately responsible for payment** should your insurance company decide not to pay for any reason. We strongly recommend you take the time to verify your coverage, eligibility and payment responsibility for occupational therapy services.

**\*Private Health Insurance**

If you have a **co-payment**, it is **due** at the time of treatment. We will bill your insurance company on a weekly basis for services rendered the week prior. For insurance companies that we do not contract with services rendered will be your responsibility at the usual and customary rates for this area. Should you have any questions regarding your insurance coverage, we will gladly assist you; however, it is your responsibility to know the benefits and limitations of your particular insurance policy.

**\*Medicare**

We will bill Medicare for you and will also bill your secondary insurance carrier, if applicable. Medicare pays approximately 80% of the allowed amount, and your secondary pays the remaining 20%. **Please note:** we will bill you **directly** for supplies not covered by Medicare. Please sign the forms attached allowing us to bill your secondary insurance company and to have them send payment directly to our office. **Additionally:** if your secondary insurance company makes payment to you (personally), and not to our office, due to contractual obligations, you are **ultimately responsible** for the **difference** between the amount **paid** by Medicare and the total allowable amount billed, **per date** of service.

**\*Workers Compensation**

You will be immediately responsible for therapy costs if your workers compensation carrier denies the claim for any reason {i.e.: litigation or failure to file a claim}. Your case manager will be notified of any missed appointments, and this may jeopardize your claim. Please contact the office, should you need to reschedule your appointment.

**\* We do not accept liens**

***We reserve the right to discontinue treatment if you fail to comply with the policies stated above.***

Twenty-four hours notification is **required** when canceling or rescheduling an appointment. There will be a **fee** of fifty dollars (\$50) when notification has not been provided within 24 hours of your appointment time and for all no-show appointments.

# 26 SUPPLIER STANDARDS

**Resource:** Medicare Enrollment Application, DMEPOS, Form CMS-855S, <http://www.cms.hhs.gov/cmsforms/downloads/cms855s.pdf> [PDF]

**Note:** This list is an abbreviated version of the application certification standards that every Medicare DMEPOS supplier must meet in order to obtain and retain their billing privileges. These standards, in their entirety, are listed in 42 C.F.R. pt. 424, sec 424.57(c) and were effective on December 11, 2000.

1. A supplier must be in compliance with all applicable Federal and State licensure and regulatory requirements.
2. A supplier must provide complete and accurate information on the DMEPOS supplier application. Any changes to this information must be reported to the National Supplier Clearinghouse within 30 days.
3. An authorized individual (one whose signature is binding) must sign the application for billing privileges.
4. A supplier must fill orders from its own inventory, or must contract with other companies for the purchase of items necessary to fill the order. A supplier may not contract with any entity that is currently excluded from the Medicare program, any State health care programs, or from any other Federal procurement or nonprocurement programs.
5. A supplier must advise beneficiaries that they may rent or purchase inexpensive or routinely purchased durable medical equipment, and of the purchase option for capped rental equipment.
6. A supplier must notify beneficiaries of warranty coverage and honor all warranties under applicable State law, and repair or replace free of charge Medicare-covered items that are under warranty.
7. A supplier must maintain a physical facility on an appropriate site.
8. A supplier must permit CMS or its agents to conduct on-site inspections to ascertain the supplier's compliance with these standards. The supplier location must be accessible to beneficiaries during reasonable business hours, and must maintain a visible sign and posted hours of operation.
9. A supplier must maintain a primary business telephone listed under the name of the business in a local directory or a toll free number available through directory assistance. The exclusive use of a beeper, answering machine, or cell phone is prohibited.
10. A supplier must have comprehensive liability insurance in the amount of at least \$300,000 that covers both the supplier's place of business and all customers and employees of the supplier. If the supplier manufactures its own items, this insurance must also cover product liability and completed operations. Failure to maintain required insurance at all times will result in revocation of the supplier's billing privileges retroactive to the date the insurance lapsed.
11. A supplier must agree not to initiate telephone contact with beneficiaries, with a few exceptions allowed. This standard prohibits suppliers from calling beneficiaries in order to solicit new business.
12. A supplier is responsible for delivery and must instruct beneficiaries on use of Medicare-covered items, and maintain proof of delivery.
13. A supplier must answer questions and respond to complaints of beneficiaries, and maintain documentation of such contacts.
14. A supplier must maintain and replace at no charge or repair directly, or through a service contract with another company, Medicare-covered items it has rented to beneficiaries.
15. A supplier must accept returns of substandard (less than full quality for the particular item) or unsuitable items (inappropriate for the beneficiary at the time it was fitted and rented or sold) from beneficiaries.
16. A supplier must disclose these supplier standards to each beneficiary to whom it supplies a Medicare-covered item.
17. A supplier must disclose to the government any person having ownership, financial, or control interest in the supplier.
18. A supplier must not convey or reassign a supplier number; i.e. the supplier may not sell or allow another entity to use its Medicare Supplier Billing Number.
19. A supplier must have a complaint resolution protocol established to address beneficiary complaints that relate to these standards. A record of these complaints must be maintained at the physical facility.
20. Complaint records must include: the name, address, telephone number and health insurance claim number of the beneficiary, a summary of the complaint, and any actions taken to resolve it.
21. A supplier must agree to furnish CMS any information required by the Medicare statute and implementing regulations.
22. All suppliers must be accredited by a CMS-approved accreditation organization in order to receive and retain a supplier billing number. The accreditation must indicate the specific products and services, for which the supplier is accredited in order for the supplier to receive payment of those specific products and services (except for certain exempt pharmaceuticals).
23. All suppliers must notify their accreditation organization when a new DMEPOS location is opened.
24. All supplier locations, whether owned or subcontracted, must meet the DMEPOS quality standards and be separately accredited in order to bill Medicare.
25. All suppliers must disclose upon enrollment all products and services, including the addition of new product lines for which they are seeking accreditation
26. Must meet the surety bond requirements specified in 42 C.F.R. 424.57(c). Implementation date- May 4, 2009

**BENEFICIARY REPAIR AND REPLACEMENT POLICIES**

Part of my treatment at Advanced Therapy Center may include being fitted with a non-custom orthosis, and/or the fabrication of a custom orthosis for my hand/upper extremity. I understand that the orthosis is an extremely vital component of my rehabilitative process as dictated by my referring physician.

Minor repairs and adjustments within the initial 6 weeks will be provided without charge. **Repairs due to negligence are not covered** (i.e. loss of orthosis, melt damage due to heat exposure, or broken orthosis due to excessive loading).

I understand that a replacement orthosis is not always covered by my insurance. Because of this, Advanced Therapy Center must charge for a replacement orthosis prior to being re-issued or fabricated.
